Class/program fees listed in this brochure include sales tax where applicable in accord with current provisions of the State Tax Code enacted by the State Legislature.

It is the policy of the Seattle Department of Parks and Recreation and the Associated Recreation Council that any person who registers for a class, special event or program that is cancelled for any reason by the Department or the Advisory Council will receive a full refund. Important Information Regarding Access Service

We have increasing numbers of participants coming to and from programs via Access Service. Due to this increase, there have been issues raised that we would like you to be aware of when making arrangements for Access rides.

- 1) Access service will pick up and drop off participants for programs. The drivers generally do not wait for staff or for the buildings to open. The Specialized Programs staff arrive 15 minutes prior to the beginning of a program, unless noted in the requested drop-off window. If Access drops off early or is late, please do not expect staff from a Community Center to monitor a participant (if that is necessary) The Community Center staff may not be on duty and they have other responsibilities.
- 2) If field trips are part of the program, there will come a point when the Specialized Programs staff **must** depart on the trip or the entire activity is jeopardized for the other participants who arrived on time. Specialized Programs staff will make every effort to contact the Access service in order to track down the participant and they will attempt to also contact the family / staff if appropriate. In the case of field trips if Access cannot guarantee the time of delivery, perhaps Access service **is not** the best method of transportation for that day. Please consider that option.
- 3) In speaking with Access Customer Service representatives, they have said to be **VERY SPECIFIC** when booking the ride. Tell them a) what time the rider must be there **and** b) what time they must be picked up to go home.
- 4) Please be aware that door-to-door service does not mean that the driver will walk the participant in to the program and make sure the staff know that the person is there. That is not required of the driver. Therefore, it is vital that you inform the Specialized Programs staff that you, or the person you care for, is on Access service so our staff is looking for the individual.
- 5) Please understand that the Specialized Programs staff may have other programs they need to get to or that they are done working and have personal obligations. Every effort you can make to ensure Access arrives on time is appreciated. If there is a consistent problem with early drop-off or late pick-ups, the Specialized Programs staff will call you to discuss the situation.
- 6) Finally, if you have problems with the Access Service, there is a ***Special Ridership Coordinator's Office*** you can call at **206-689-3113**.

NOTE: Due to Staffing & Programming Conflicts, we cannot serve Access transportation clients or Taxi clients for the " Saturday Activities " Program.

COST: \$2.25 / individual sessions

IMPORTANT NOTICE:

We are asking that athletes NOT use Access to and from swim team. Access vans cannot give an exact time for pick-up, only a 1/2 hour window. The Specialized Programs Staff must be on the pool deck during practices so are unable to go out and watch for the vans until practice is over. If a van does arrive early, they will only wait five minutes and do not always come into the pool building to let staff know who they are there to pick up. Since they only wait five minutes, that does not allow athletes enough time to get out of the pool, showered, and dressed. Specialized Programs Staff are scheduled to work until the program is over at 8:00 pm, so scheduling a window from 8:00-8:30 pm causes staffing problems. We have had problems with Access in the past, which is why we are requesting athletes not to use it. We apologize for any inconvenience this may cause. If you have any questions, please call Elva at the Specialized Programs Office, 684-4950. Thank you.

YOUTH BOWLING

This program is not intended to be a bowling lesson. It is a practice session for individuals interested in participating in Fall Sports and for improving existing skills.

DATES: Saturdays STARTING January 10 - March 20

TIME: 12:00 - 2:15 p.m.

PLACE: Sunset Lanes
1420 NW Market

COST: \$2.70 - 1 game, \$5.50 - 2 games, or 3 games for \$7.60
(which includes shoes)
Paid to the bowling alley *before* you bowl

***NOTE: No Bowling on March 6th due to the State Special Olympics Basketball Tournament.**

IMPORTANT BOWLING NOTICE:

Due to problems we're experiencing with Access pick-ups following the bowling program, we are asking people to request an earlier window than in the past. **Please request a 1:30-2 pm pick-up window.**

By requesting an earlier pick-up window, people riding Access may only be able to bowl 1 - 2 games.

We're requesting this time change because the Adult Saturday Travels programs which immediately follow Bowling is being impacted. When participants from bowling are late being picked up, the Saturday Travels program then gets a late start. The Saturday Travels programs often have specific times that have been scheduled in advance for activities or tours and can't afford to be late. We're hoping by asking that our bowling participants request an earlier pick-up window, that the Saturday Travels will no longer be impacted.

If we still continue to have problems, we may have to ask participants not to use Access for the Bowling program. **At this time we do not have staff that can stay with participants that are late being picked up and the staff at the bowling alley are not there to supervise our participants as they have other responsibilities.**
